

SLP TILE

RECOGNITION PROGRAM

The SLP Tile Recognition program was designed to provide working capital for Kamp Kiwanis, by allowing our Kiwanis Service Leadership Programs *a special way of their own* to become invested in the Kamp. Recognition tiles will be printed to your specification, and affixed to the interior walls of the Dinning Hall at Kamp Kiwanis and are updated annually before Open House. All tiles will have a date printed on them to signify the time of the honor, and to encourage future honors.

Cost is \$75 per tile. Three may be purchased at the same time for \$200. (Must be submitted together.)

Order Date _____
